- During our week I will request permission to take photographs for use in my website and social media for promotional purposes. If you do not wish to be photographed, that's no problem at all, please let me know at the time.
- An email is sent to Summer Impressions participants early-December to confirm workshop details. The email will include a link to specific information important to the Summer Impressions program. It will be assumed that the student has read that email prior to workshop attendance, and contacted Kim Herringe if anything is unclear regarding inclusions and expectations.
